## 3 Easy Puzzles for Your Activity Table

A free taste of two large-print paperbacks, made for activity directors, memory care staff, therapists, caregivers, and families. One puzzle per page, extra-large letters, a short “talk about it” question, and an answer key.

- **Grandma's Kitchen** *from Everyday Memories*
- **Front Porch Evenings** *from Everyday Memories*
- **Holiday Baking** *from Memories of Christmas*

### How to solve

1. Find each word in the grid. Words run in a straight line, left to right or top to bottom — never bent.
2. Circle the word, then check it off the list. Stuck? The answer key shades every word.
3. Each puzzle has a “talk about it” question. Share answers with a resident, a parent, or a group.

### You may print these 3 puzzles

You may print this sample for personal use, as a gift, and for a group activity at one senior living community, memory care or adult day program, clinic, library, or church. Please do not sell these pages, post the file for mass download, or include it in a paid packet.

*These puzzles are for comfortable, screen-free enjoyment. This sample and the full books are entertainment only. They are not medical advice and are not intended to diagnose, treat, cure, or prevent any condition.*
